COST ESTIMATE**

October 29, 2003

**S. 1267**

**District of Columbia Budget Autonomy Act of 2003**

*As ordered reported by the Senate Committee on Governmental Affairs  
on October 22, 2003*

S. 1267 would allow the District of Columbia to enact the portion of its annual budget that is locally funded. Under current law, the District of Columbia cannot spend any local or federal funds until its annual appropriation from the federal government has been enacted. CBO estimates that enacting S. 1267 would have no impact on the federal budget.

S. 1267 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would impose no costs on the District of Columbia.

The CBO staff contact is Matthew Pickford. This estimate was approved by Peter H. Fontaine, Deputy Assistant Director for Budget Analysis.
